

Respondents' "...Motion To Quash" and "Brief In Support..." assert, *inter alia*, that the subpoenas did not provide proper notice, that the documents sought are privileged and/or irrelevant, and that the descriptions of the documents sought are vague, ambiguous and overly broad. (Document Nos. 1, 2). Moreover, the undersigned notes that it is unclear that the subpoenas were issued by the proper court. See Fed.R.Civ.P. 45(a)(2) ("[a] subpoena must issue as follows . . . for production or inspection, . . . from the court for the district where the production or inspection is to be made").

On July 19, 2013, Petitioner filed its "...Notice Of Withdrawal Of Subpoena" (Document Nos. 3, 4). As such, Petitioner has voluntarily withdrawn the subpoenas in question, and apparently concedes that the subpoenas were issued without adequate notice under Fed.R.Civ.P. 45(b)(1). Id. To date, Respondents have declined to file a response to Petitioner's "...Notice Of Withdrawal Of Subpoena."

Under these circumstances, the undersigned is persuaded that the pending motion to quash is moot.

IT IS, THEREFORE, ORDERED that "Escapes Respondents' Objections To Non-Party Subpoenas And Motion To Quash" (Document No. 1) is **DENIED AS MOOT**.
